Modelling of Pickup Ion Distributions in the Halley Cometoshcath ...

'1'hc implanted cometary **ion** density ~li can be estimated by integrating the **ion**
production rate upstream (Sunward) along the **ion ...**

N86-28429

The **ion** current tends to level off at what will be called the **ion production**
rate at sufficiently negative potentials (~ - 30 V for the case shown). **...**

Deep Space One Investigations of Ion Propulsion Plasma ...

exchange **ion production rate** at thruster exit from these thruster parameters.
The average charge exchange **ion production rate** at thruster exit is given by **...**

http://trs-new.jpl.nasa.gov/dspace/bitstream/2014/17676/1/99-1110.pdf

Numerical Simulation of Ion Thruster Optics

calculated, equations describing the volumetric charge exchange **ion production**
rates in each cell are used to introduce charge exchange ions. **...**

Three-Dimensional Particle Simulation Modeling of Ion Propulsion ...

ion production rate near the thruster exit. The results are listed in **...**
one
obtains the spatial distribution of the charge-exchange **ion production**
rates ...

AIAA -99-4612 AN ION PROPULSION SYSTEM FOR NASA'S DEEP SPACE MISSIONS

This implied that charge exchange **ion production rates** in the vicinity of the
accelerator grid were higher in this test than would be experienced in a space
...

STUDIES OF INTERNAL SPUTTERING 5 76 IN A 30-CM ION THRUSTER

cathode mass flow rate is probably associated with tage AV. I and 10.0 amp

emission current JE. The increasing **ion production rates**. This
explanation **...**

The Effect of Carbon Deposition on Accelerator Grid Wear Rates in ...
charge exchange **ion production rate** downstream of the optics is
proportional to
the beam current den- sity. If the charge exchange ions are not created
too **...**

Ion Propulsion Development Activities at the NASA Glenn Research ...
general, the device appeared to operate best at very low flow **rates**.
Under these
conditions, the **ion production** as well as **ion** energies appear to be **...**
