Sonia Narang is completing a documentary film about women from south India who traveled 2,000 miles to marry men in north India, where female feticide has led to a shortage of brides. Narang is about to earn her master's degree from the University of California at Berkeley's Graduate School of Journalism. Narang's reporting work and travels have taken her throughout Asia.

FRONTLINE/World *fellows*

The FRONTLINE/World Fellowship program is designed to nurture new voices in international reporting and widen the spectrum of stories available to the public, using this award-winning PBS Web site as a publishing platform for a new generation of journalists. The program was launched as a collaboration between FRONTLINE/World and the U.C. Berkeley Graduate School of Journalism and, since its inception in 2003, has produced [28 stories](#) for the website.
