## On Our Radar: Toxic Cleanup in Germany

By *JOHN COLLINS RUDOLF*

The German authorities pledge a **cleanup** of one of Europe's most toxic sites: a leaking nuclear waste dump in a former salt mine.

An E.P.A. **ruling** puts the concrete-encased Los Angeles River's 834-mile watershed under Clean Water Act protection.

With natural gas drilling booming on the East Coast, Halliburton **builds** a permanent outpost in Pennsylvania.

Arctic ice **reached** the lowest extent on record in June.

A special legislative session **is called** in Florida to debate a proposed constitutional ban on offshore drilling.
