Public Works

Welcome to the City of West Sacramento Department of Public Works website! We hope you find it to be informative, and we look forward to including even more specific project information in the near future.

Public Works provides integral services to our community every day. Our department's mission is to provide quality services to the City of West Sacramento community with pride, courtesy, and commitment. Developing and offering efficient, cost effective services in partnership with our citizens will help us achieve our vision by being an outstanding provider of Public Works Services.
