### UCAR Communications

*Head of Media Relations*  
[David Hosansky](#), 303-497-8611

*Media Relations*  
[Rachael Drummond](#), 303-497-8604

*General inquiries*  
[Yvonne Mondragon](#), 303-497-8601

*Photo inquiries*  
[Carlye Calvin](#), 303-497-8609

December 12, 2008

[Media Advisory: Adapting to U.S. Climate Change](#)

December 09, 2008

[Climate Change Threat: Developing Countries Lack Means to Acquire More Efficient Technologies](#)

December 09, 2008

[Amenaza del cambio de clima: Los países en vías de desarrollo carecen de medios para adquirir tecnologías más eficientes.](#)

November 19, 2008

[Health and Weather: UCAR Weather Forecasts Aim to Reduce African Meningitis Epidemics](#)

November 12, 2008

[NCAR Installs Massive Digital Storage Library from Sun Microsystems for Climate and Weather Records](#)

November 03, 2008

[UCAR Signs Agreement to Manage NCAR](#)

October 16, 2008

[Hands-on Fun with Energy at Super Science Saturday, October 25](#)

October 15, 2008

[Great World Wide Star Count: Light Pollution To Be Mapped by Thousands of Citizen Scientists Around the World This Month](#)

October 09, 2008

[Wildfires Cause Ozone Pollution to Violate Health Standards, New Study Shows](#)

October 08, 2008

[Hurricanes and Climate Change: NCAR Launches Intensive Study into Future Hurricane Risk](#)

September 24, 2008

[International Field Campaign Examines Impact of Beetle Kill on Rocky Mountain Weather and Air Quality](#)

September 18, 2008

[Plants in Forest Emit Aspirin Chemical to Deal with Stress; Discovery May Help Agriculture](#)

September 09, 2008

[Tip Sheet: Experts on Hurricane Behavior, Impacts, and Possible Links to Global Warming](#)

August 29, 2008

[NCAR Appoints New Deputy Director](#)

August 20, 2008

[Weather and Climate Leaders Call on Washington to Better Protect the Nation from Climate Change and Severe Weather](#)

August 12, 2008

[Antarctic Climate: Short-Term Spikes, Long-Term Warming Linked to Tropical Pacific](#)

August 08, 2008

[Statement on Reductions of Programs at NCAR](#)

July 22, 2008

[Scientists Test System to Forecast Flash Floods Along Front Range](#)

July 08, 2008

[Summer Olympics Tip Sheet: NCAR Scientists Available to Discuss Weather Modification, Air Quality, and Forecasting in Beijing](#)

June 19, 2008

[Scientists Detail the Effects of Climate Change on Extreme Weather in North America](#)

June 12, 2008

[Field Project Seeks Clues to Climate Change in Remote Atmospheric Region](#)

June 10, 2008

[Permafrost Threatened by Rapid Retreat of Arctic Sea Ice, NCAR Study Finds](#)

June 06, 2008

[U.S. and U.K. Research Centers Launch Major Collaboration on Atmospheric Research, Technology](#)

June 05, 2008

[Teenage Scientists from Around the World to Meet at Landmark Conference](#)

May 30, 2008

[Eric Barron to Head National Center for Atmospheric Research](#)

May 27, 2008

[Lead Authors Available to Discuss New U.S. Climate Report](#)

May 15, 2008

[National Science Board Approves UCAR Proposal to Manage NCAR](#)

May 08, 2008

[NCAR Installs 76-Teraflop Supercomputer for Critical Research on Climate Change, Severe Weather](#)

May 07, 2008

[Climate Models Overheat Antarctica, New Study Finds](#)

April 24, 2008

[Stratospheric Injections to Counter Global Warming Could Damage Ozone Layer](#)

April 21, 2008

[Arctic Ice More Vulnerable to Sunny Weather, New Study Shows](#)

April 21, 2008

[Media Advisory: Weather Modification - The State of the Science](#)

April 10, 2008

[Hurricane Forecasters Adopt NCAR Radar Technique](#)

April 02, 2008

[Emission Reduction Assumptions for Carbon Dioxide Overly Optimistic, Study Says](#)

February 26, 2008

[Timothy Killeen will become NSF Assistant Director for the Geosciences in July 2008.](#)

February 14, 2008

[Volunteers Across Nation to Track Climate Clues in Spring Flowers](#)

February 12, 2008

[Native Americans, Scientists To Discuss Climate Change at Landmark Symposium](#)

February 07, 2008

[Natural Ocean "Thermostat" May Protect Some Coral Reefs](#)

January 17, 2008

[NCAR Scientists to Present Latest Findings on Climate Change, Weather at New Orleans Meeting](#)

January 09, 2008

[Digital Library for Geosciences Moves to NCAR](#)
