IT'S BEEN HAPPENING ALL ALONG....

Here is a very small list of published papers from the Weather Modification Assoc .You can download the complete list on this site under DOWNLOADABLE REPORTS on homepage

Chaff-Tagging for Tracking Cloud Evolution" pub 1998

"High Level Atmospheric Program For The New Millenium"

Cloud Seeding in Australia 1946,47,1951

"Cloud Seeding Belgian Congo 1949"

"Artificial Rainmaking In Kansas" 1969

"Trace Silver Analysis in Waters" 1970

"Weather Modification Reports" 1972-73

"Seeding Cumulus Clouds in Rhodesia
w/Silver Iodide 1968-69"

"Acidic Cloud Episodes In The Colorado

"The Stimulation of Rain in Yugoslavia"

Rockies"

"7 Year Continuous Seeding On The French Atlantic Coast" 1969

Impacts of Urban Modified Precip. on Man's Activities 1977

Rain Modification By Cloud Seeding In The Persian Gulf" 1977

"Increases In Silver Iodide From Ground Generators" Alberta Ca

"Silver Content In Soils In N.E. Wisconsin"
1977

"National Cloud Seeding Operation 1976-
77"

"History Of Planned Weather Mod.
Activities" University of Illinois 1947-1976

"NOAA's New Thrust In Weather
Modification" 1980

"Weather Modification in Taiwan 1951-
1978"

Precipitation Stimulation Project of New
York 1950"

Hail Suppression of The Hudson Valley"
1956-57

Cloud Seeding Of Mexico City 1974-76"

"Ground Based Salt Seeding India 1973-'77

"Weather Modification In Southeast Asia
1966-72"

Cloud Seeding In Chile" Pub. 1982

"South Dakota Seeding Evaluations 1965-
1971
