### Toxicology Data Review Summaries Available Electronically

Return to [California Notice 97-2 \(revised\)](#) for instructions on acquiring summaries. Please note that these summaries have been converted from various word processing sources to PDF files which have created formatting challenges.

List updated 6/12/08.

Download a "zip" file (20.6 MB) of [all 460 Tox Summaries](#) (about 44.3 MB total space needed). To view the newest additions or amended summaries, sort extracted files by date. If you are having difficulties printing the summaries, make sure that the FIT TO PAGE box is checked at the print prompt.
