[Industrial Goods and Services](#) : [Industrial Supply](#) : [Magnets](#)

[Electron Energy Corp](#)

Samarium cobalt and neodymium iron **boron** magnets and magnet assemblies.

<http://www.electronenergy.com>

[Tridus International, Inc.](#)

Provides the importing and marketing of Chinese sintered neodymium iron-**boron** permanent magnets in North America.

<http://www.tridus.com/>

[Hitachi Metals America, Ltd.](#)

Manufactures permanent magnets, including cast and sintered alnico, ceramic (Ferrite), samarium cobalt and neodymium-iron-**boron** magnets.

<http://www.hitachimetals.com>

[Magnequench](#)

Manufacturer of neodymium-iron-**boron** magnets and magnetic powders used in the production of permanent magnets.

<http://www.magnequench.com/>

[TDK Ferrites Corporation](#)

Manufacturer of magnetics materials including ferrite, neodymium-iron-**boron** and samarium-cobalt permanent magnets.

<http://www.tdk.com/>

[Yuhong Magnetic Powders Corp. \(YMPC\)](#)

Manufacturer of magnetic materials including quenched neodymium-iron-**boron** (NdFeB) powders, NdFeB magnetic materials for injection molding, and bonded NdFeB magnets.

<http://www.yuhong-magnetics.com>

[Taiyuan Tianhe Advanced Tech Magnets Co. ,LTD](#)

Manufacturer of neodymium-iron-**boron** (NdFeB) rare-earth permanent magnets.

<http://www.thmagnet.com>

[Magnetic Component Engineering Inc.](#)

Supplier of neodymium-iron-**boron**, samarium-cobalt, and ferrite permanent magnets and magnetic assemblies.

<http://www.mceproducts.com/>

[Ningbo Ninxian Kaishu Magnets Co. Ltd.](#)

Manufacturer of neodymium-iron-**boron** magnets specializing in thin-wall and small-hole precision magnets.

<http://www.kaishumagnet.com/>

[Rare-Earth Magnets](#)

Supplier of neodymium-iron-**boron** rare-earth magnets. Also distributes ferrofluids, bismuth, magnetic viewing film, and other products related to magnetics.

<http://www.rare-earth-magnets.com>

[Industrial Goods and Services](#) : [Industrial Supply](#) : [Materials Handling](#) : [Parts and Service](#)

[Chapmans Boron](#)

Supplier of heat-treated **Boron** wear parts for Agriculture, Quarrying, Mining, Recycling, Concrete & Asphalt plants.
<http://www.chapmans-uk.com/>

[Industrial Goods and Services](#) : [Machinery and Tools](#) : [Cutting and Machining](#) : [Tooling, Tools, Consumables](#) : [Tools](#)

[Spartan Carbide Inc.](#)

Manufactures, distributes, and offers grinding services for wide range of carbide inserts and tooling. Includes polycrystalline dia **boron** nitride, and ceramic tipped tools and brazed tooling.
<http://www.spartancarbide.com>

[Industrial Goods and Services](#) : [Machinery and Tools](#) : [Cutting and Machining](#) : [Tooling, Tools, Consumables](#) : [Tools](#) : [Diamond](#)

[J&M Diamond Tool Inc.](#)

Specializes in design and manufacture of polychrystalline, cubic **boron**, and natural diamond dressers, tipped inserts, scribes, and other tooling. Site incorporates technical details of each product group, including suggested speeds, feeds, and applications.
<http://www.diamondtool.com/>

[Abrasive Technology](#)

Manufactures and sells electroplated, metal and resin bonded superabrasive diamond and cubic **boron** nitride tooling for grindir polishing applications.
<http://www.super-abrasives.com/>

[Textiles and Nonwovens](#) : [Fibers](#) : [Man-made](#) : [Glass Fiber](#)

[Fibrex, Ltd](#)

Canada. **Boron** and fluoride free E-CR glassfiber rovings for composite reinforcement applications. Detailed product catalogs, v technical documents, application information, and descriptions of processes. Product specifications and MSDS on PDF files. 12 550-8800tex.
