

INTERACTIVE ANIMAL CRUELTY MAPS

176 cases (65.7%) out of 268 cases in Colorado have been mapped. Click and drag using your mouse the region, or click on a colored icon to see a snapshot of the case with a link to the case details.

Red icons indicate cases where the alleged abuser had a history of interpersonal violence or where there was a domestic dispute or argument. There are 13 abuse connection cases mapped.

Show only: s

Please note: These maps are not all-inclusive and should not be considered a replacement for the **animal abuser name search**. Please see the **map notes** page for additional information and limitations.

We welcome your questions and comments! If you are currently using the interactive animal cruelty maps, or any other program, please take a moment to tell us what you think by e-mailing us at info@pet-abuse.com
