WELCOME TO LOS VAQUEROS

CCWD's Los Vaqueros Reservoir can store up to 100,000 acre-feet of high quality water for the District's customers.

The reservoir is being enlarged, and there are many changes.

The north end of the watershed near Brentwood, including the John Muir Interpretive Center and trails are now closed to the public. [Here's a map.](#)

The south end of the watershed -- which includes fishing, a Marina to rent boats and trails -- remains open.

The reservoir and watershed are open 365-days a year, and fishing is available. [A weekly fishing report is on-line. The marina is stocked with fishing supplies, snacks, ice cream and hot food.](#)

For more information, call the marina at (925) 371-2628, or [here for more on costs for fishing permits and renting boats.](#)

We [have a LV web cam and weather page, so you can see all the conditions at the reservoir.](#)

50 percent off Boat Rentals
on
Mondays, Tuesdays, Wednesdays, Thursdays, & now Fridays!
(except holidays)
