Water Quality

Recent Water Quality Results

Water quality reports are found in the table below. The substances shown are ones that CCWD customers have the most questions about.

You can also view the [CCWD Annual Water Quality Report](#), which lists the annual results for these substances as well as many others.

Click [here](#) for definition of terms used in this table.

District Chemist/Microbiologists Jaci Paulline and Ed Nishikawa test CCWD water samples.
