In order to view some of the product information, you will need to download [Adobe Acrobat](#).

PLEASE NOTE: Label precautions and instructions vary to reflect individual requirements of the particular state or locality where the pesticide is to be used. The information on these specimen labels is general in nature only. It may not reflect all of the details included on the actual label for your state or locality.

To be in full, lawful compliance with all federal, state, and local pesticides use laws and regulations, be certain, before using a pesticide, that it is registered for use in your state or locality. Then, read and follow all of the specifics of its approved label.
