Dear Mrs. Peterson,

I am in receipt of your Public Records Act request received via e-mail and dated 07/17/2014. In your e-mail, you requested any documents relating to the following:

- CDPH packet presented to the RVCWD Board on July 7, 2014
- Grant Contract with RVCWD
- Letter to RVCWD regarding grant funding PDE-231-0008-001
- CDPH Memorandum dated May 22, 2014

Any documents requested are subject to redaction. These documents are redacted to protect the privacy of the grantee(s) and consultant(s). Redacted information may include tax identification numbers and documents, credit/checking account numbers, as well as any rates, amounts, and hours from invoices submitted by consultants.

Requested documents can be duplicated via three methods.

- An appointment can be scheduled to view the documents and scan them yourself (via personal scanner). Appointments are available Monday through Friday, 8:00am – 4:30pm
- A bonded copy service can be hired to scan the documents
- State Water Resources Control Board (SWRCB) staff can be requested to duplicate the documents, though a fee may apply (see below)

Please note that if you would like SWRCB staff to duplicate the documents, up to 500 pages can be scanned in PDF format and sent via e-mail. Due to e-mail constraints, documents that exceed 20MB will be sent via standard mail on a Compact Disc (CD). Any request that is

estimated to exceed that amount will be duplicated in hard copy format and subject to a \$0.10/page charge

Please contact me at Keisha.Kelley@waterboards.ca.gov or 916-341-5844 if you have any questions.

Sincerely,
