Rosiland:

We have not sent letters regarding either topic. RVCWD has been in attendance at both meetings so we communicated with them directly.

RE:Redwood Valley County Water District Notifications of RRFCD Board
Actions - Public Records Act Request

Dear Manager White:

I am formally requesting copies of your two letters to the Redwood Valley County Water District, as required by the "Stipulated Judgment" between your two agencies, that the RVCWD must be notified when "surplus water" is no longer available from the Russian River Flood Control District.

On February 24, 2014, the RRFCD took the following action (highlighted from your minutes below).I am requesting a copy of the letter that you sent to the RVCWD Board to notify them of this action under the California Public Records Act.

**

On March 24, 2014, the RRFCD took the following action, as spelled out by Trustee Shoemaker, on a 3-1 vote (see highlighted information below), with regard to the RVCWD.I am formally requesting a copy of your letter informing the RVCWD Board of this RRFCD Board action, as required under your "stipulated judgement", under the California Public Records Act.

I did contact Trustee Hatch and she stated that she had not seen your letters to the RVCWD with regard to either Board action. Please forward copies to Trustee Hatch.

If you have any questions or need additional information please contact me at your convenience.

Sincerely,

Rosalind Peterson
