Our CarbonFree® Partners

Carbonfund.org's partners are nonprofits and for-profits, large and small, religious and secular, but they all share a common goal of fighting climate change and being part of the solution toward a clean energy, low carbon future. Carbonfund.org's partners are reducing the threat of climate change for our and future generations.

Carbonfund.org is the nation's leading nonprofit provider of carbon offsets & climate solutions. We make it easy and affordable for everyone to calculate, reduce & offset their carbon footprint with carbon offsets that are verified to third-party carbon offsets standards, and be carbon neutral.

Help fight global warming with our carbon offsets. Learn about carbon offsets, how offsets work, one's carbon footprint & using a carbon calculator on our site.
